Who We Are

We are a non-profit 501c3 animal rescue group. We focus on animals in desperate situations. We rescue dogs and cats from shelter where they have no room and are euthanatized due to space. All of our animals we rescue are fully vetted and fixed. They are all great animals very deserving of great homes. Our rescue was created through the desire to save more lives that all our members have. We all have a passion to save animals as well as a commitment to ensure great futures for all our animals we rescue.
